Revamping of Hyderabad Airport

1381. SHRI GIREESH KUMAR SANGHI: Will the Minister of CIVIL AVIATION be pleased to state:

(a) the status of the proposal to revamp Hyderabad airport;

(b) the steps taken by Government in this connection so far; and

(c) whether funds have been allocated for this project?

THE MINISTER OF STATE OF THE MINISTRY OF CIVIL AVIATION (SHRI PRAFUL PATEL): (a) and (b) The works for extension and resurfacing of existing runway (including construction of Reinforced Concrete Cement bridges over nallah) and providing two additional parking bays for AB-320 type of aircraft through extension of existing apron is at an advanced stage. Besides, the work for extension of terminal buildings for providing an escalator on the international arrival side and additional security hold area and an additional aerobridge on the eastern side of domestic departure area has already been initiated. The work for internal modifications and refurbishing of terminal buildings for improvement of passenger flow and facilities has also commenced.

(c) Yes, Sir.
